

OCTOBER 2010:

Gray's Venison Cookbook

by Rebecca Gray

This handy little cookbook packs an amazing number of delicious meals into its 102 pages. Selected from the pages of the masterful *The New Gray's Wild Game Cookbook* these full-course venison menus run the gamut from quick-and-easy to elegant-and-expert.

Each recipe is a personal favorite of Rebecca Gray, the Expert Editor for Game and Wild Edibles for the *Joy of Cooking: 75th Anniversary Edition*.

Peppered with anecdotes and detailed instructions and capped with a full chapter on game care from the field to the table, *Gray's Venison Cookbook* is a complete cookbook in a very compact size.

Praise for Rebecca Gray

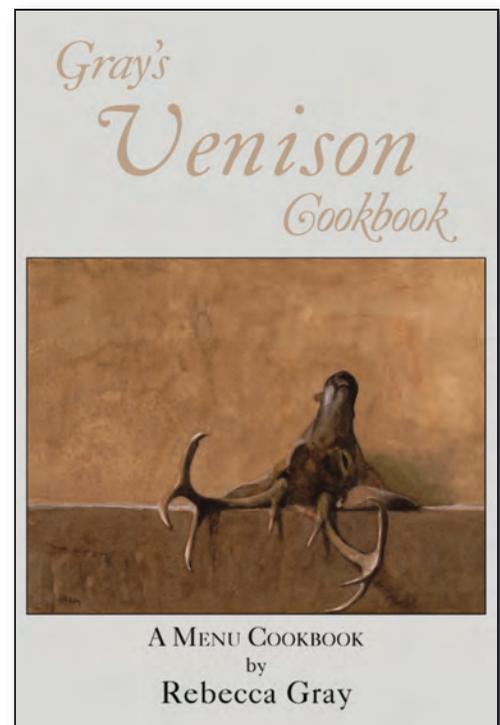

"Becky Gray's cooking is to die for—as any number of birds, animals, and fish will tell you. And hush, you vegans, these critters were pleased and proud to wind up on Becky's stove. When our time comes, be so lucky to get such respectful memorial feasts."

—P.J. O'Rourke
